Modulation: capo 4

Unbelievable sights
Indescribable feeling
Soaring, tumbling, freewheeling
Through an endless diamond sky

A whole new world
Don't you dare close your eyes
A hundred thousand things to see
Hold your breath - it gets better
I'm like a shooting star
I've come so far
I can't go back to where I used to be

A whole new world
Every turn a surprise
With new horizons to pursue
Every moment red-letter
I'll chase them anywhere
There's time to spare
Let me share this whole new world with you

A whole new world
That's where we'll be
A thrilling chase
A wondrous place
For you and me
