F C Dm Am
/ / / /
A lonely road, crossed another cold state line
Bb F C
/ / / /
Miles away from those I love purpose hard to find
F C Dm Am
/ / / /
While I recall all the words you spoke to me
Bb F
/ /
Can't help but wish that I was there
C
/ /
Back where I'd love to be, oh yeah

F C Dm C
/ / / /
Dear God the only thing I ask of you is
Bb F
/ /
to hold her when I'm not around,
C
/ /
when I'm much too far away
F C Dm C
/ / / /
We all need that person who can be true to you
Bb F
/ /
But I left her when I found her
C
/ /
And now I wish I'd stayed
Bb C
/ /
'Cause I'm lonely and I'm tired
A7 Dm Bb
/ / / /
I'm missing you again oh no
Once again

There's nothing here for me on this barren road
There's no one here while the city sleeps
and all the shops are closed
Can't help but think of the times I've had with you
Pictures and some memories will have to help me through, oh yeah
Dear God.....

Dm A7 Bb F
/ / / /
Some search, never finding a way
Dm A7 Bb F
/ / / /
before long, they waste away
Dm A7 Bb F
/ / / /
I found you, something told me to stay
Dm A7 Bb F
/ / / /
I gave in, to selfish ways
Gm C
/ / / /
And how I miss someone to hold

/
when hope begins to fade...
