Just saying this

Sweet dreams till sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of me

(instrumental break)

Stars shining up above you
Night breezes seem to whisper "i love you"
Birds singin' in the sycamore trees
Dream a little dream of me

Sweet dreams till sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of me

Yes, dream a little dream of me
