Nobody can deny that there's something there

There, running my hands through her hair  
Both of us thinking how good it can be  
Someone is speaking but she doesn't know he's there

Knowing that love is to share

Each one believing that love never dies  
Watching her eyes and hoping I'm always there

I want her everywhere.....

Each one believing that love never dies  
Watching her eyes and hoping I'm always there
