All my life, though some have changed

A E F#m F#m/G
/ / / /

Some forever not for better

D Dm A
/ / / /

Some have gone and some remain

F#m D
/ / / /

All these places have their moments

G A
/ / / /

With lovers and friends I still can recall

F#m B7
/ / / /

Some are dead and some are living

Dm A
/ / / /

In my life I've loved them all

Intro:.....

But of all these friends and lovers
There is no one compares with you
And these memories lose their meaning
When I think of love as something new
Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more

solo:.....

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more
In my life I love you more
