Little do you know how I'm breaking while you fall asleep

Little do you know I'm still haunted by the memory

Little do you know I'm trying to pick myself up piece by piece

Little do you know I need a little more time

Underneath it all I'm held captive by the hole inside

Am F C G

I've been holding back for the fear that you might change your mind

I'm ready to forgive you but forgetting is a harder fight

The love you see right here stays so lay your head on me

Little do you know I know you're hurt while I'm sound asleep
Little do you know All my mistakes are slowly drowning me
Little do you know I'm trying to make it better piece by piece
Little do you know I, I love you till the sun dies
I'll wait, just wait..... I'll wait, I'll wait.....
