Midnight
Am
/
Not a sound from the pavement
F
/
Has the moon lost her memory?
Em
/
She is smiling alone
Dm
/
In the lamplight
Am
/
The withered leaves collect at my feet
G
/
And the wind
C
/
Begins to moan.

C

Memory
Am
/
All alone in the moonlight
F
/
I can smile at the old days
Em
/
I was beautiful then
Dm
/
I remember
Am
/
The time I knew what happiness was
G
/
Let the memory
C
/
Live again.

Em F
 / /
 Every street lamp
 Em F
 / /
 Seems to beat
 Em C G G7
 / / / /
 A fatalistic warning
 Em Am7
 / /
 Someone mutters
 D7 G7
 / /
 And a street lamp gutters
 Em A7 D
 / / / /
 And soon it will be morning

C
 Daylight
 Am
 I must wait for the sunrise
 F
 I must think for a new life
 Em
 And I mustn't give in
 Dm
 When the dawn comes
 Am
 Tonight will be a memory too
 G
 And a new day
 G C
 Will begin
