You check out guitar, George

He knows all the chords

Mind it's strictly rhythm

He doesn't wanna make it cry or sing

Left-handed old guitar is all he can afford

When he gets up under the lights to play his thing

The chords were transcribed by David Sidi

And Harry doesn't mind if he doesn't make the scene
He's got a daytime job, he's doing alright
He can play the honky tonk like anything
Saving it up for Friday night
With the Sultans, with the Sultans of Swing

And a crowd of young boys, they're fooling around in the corner
Drunk and dressed in their best brown baggies and their platform soles
They don't give a damn about any trumpet-playing band
It ain't what they call "Rock 'n' Roll"
And the Sultans, yeah, the Sultans, they play Creole, Creole

First solo.....

And then the man, he steps right up to the microphone
And says at last just as the time bell rings
"Goodnight, now it's time to go home."
Then he makes it fast with one more thing,
"We are the Sultans, we are the Sultans of Swing."

Second solo:....
