When a man loves a woman
F#m F#m/E
/
Can't keep his mind on nothin' else

D E
/
He'd trade the world

A E
/
For a good thing he's found

A E/G#
/
If she is bad, he can't see it

F#m F#m/E
/
She can do no wrong

D E
/
Turn his back on his best friend

A E
/
If he puts her down

When a man loves a woman
Spend his very last dime
Trying to hold on to what he needs
He'd give up all his comforts
And sleep out in the rain
If she said that's the way
It ought to be

When a man loves a woman

I give you everything I got (yeah)

D

Trying to hold on

A F#m

To your precious love

Baby please don't treat me bad

When a man loves a woman
Deep down in his soul
She can bring him such misery
If she is playing him for a fool
He's the last one to know
Loving eyes can never see

Yes when a man loves a woman
I know exactly how he feels
