What do I do when my love is away.  
(Does it worry you to be alone)  
How do I feel by the end of the day  
(Are you sad because you're on your own)  
No I get by with a little help from my friends,

                  Em                    A7  
                  /            /            /            /

Do you need anybody,

                  Em                    A7

Could it be anybody

                  G                    F                    C  
                  /                    /                    /            /

I want somebody to love.

Would you believe in a love at first sight,  
Yes I'm certain that it happens all the time.  
What do you see when you turn out the light,  
I can't tell you, but I know it's mine.  
Oh I get by with a little help from my friends,  
Do you need anybody,  
I just need somebody to love,  
Could it be anybody,  
I want somebody to love.  
I get by with a little help from my friends,

Yes I get by with a little help from my friends,  
With a little help from my friends.
