

## With a little help from my friends/Beatles

E            B            F#m  
/            /            /            /  
What would you think if I sang out of tune,  
   B            E  
   /            /            /            /  
Would you stand up and walk out on me.  
   B            F#m  
/            /            /            /  
Lend me your ears and I'll sing you a song,  
   B            E  
   /            /            /  
And I'll try not to sing out of key.

E            D            A            E  
/            /            /            /  
Oh, I get by with a little help from my friends  
   D            A            E  
/            /            /            /  
Mm, I get high with a little help from my friends  
   D            A            E            B  
/            /            /            /            /            /            /            /  
Mm, gonna try with a little help from my friends

What do I do when my love is away.  
Does it worry you to be alone  
How do I feel by the end of the day  
Are you sad because you're on your own  
No I get by with a little help from my friends,  
Mm get high with a little help from my friends,  
   D            A            E  
   /            /            /            /  
Mm Going to try with a little help from my friends.

                                 C#m            F#  
                                 /            /            /            /  
Do you need anybody,  
E            D            A  
/            /            /            /  
I need somebody to love.  
                                 C#m    F#  
                                 /            /            /            /  
Could it be anybody  
E            D            A  
/            /            /            /  
I want somebody to love.
