D  
/  
My life is brilliant

A  
/  
My love is pure

Bm  
/  
I saw an angel

G  
/  
Of that I'm sure

D  
/  
She smiled at me on the subway

A  
/  
She was with another man

Bm  
/  
But I won't lose no sleep on that

G  
/  
'Cause I've got a plan

G A  
/  
You're beautiful

D  
/  
You're beautiful

G A D  
/  
You're beautiful, it's true

G A  
/  
I saw your face

D A Bm  
/  
In a crowded place

G A Bm  
/  
And I don't know what to do

G A D  
/  
'Cause I'll never be with you

Intro:.....

                  D  
                  /                  /  
Yes, she caught my eye

                  A  
                  /                  /  
As we walked on by

                  Bm  
                  /                  /  
She could see from my face that I was

G  
/                  /  
Fucking high

                  D                                  A  
                  /                  /                  /                  /  
And I don't think that I'll see her again

                  Bm                                  G  
                  /                  /                  /                  /  
But we shared a moment that will last to the end

Your Beautiful.....

G                  Bm G                  Bm G                  Bm A  
/                  / /                  / /                  / /                  /  
La-la-la-la La-la-la-la La-la-la-la La-a

G                  A  
You're beautiful

D  
You're beautiful

G                  A                  D  
You're beautiful, it's true

G                  A  
There must be an angel

                  D                  A                  Bm  
With a smile on her face

                  G                                  A  
                  /                                  /  
When she thought up that I should be with you

D                  A                  Bm  
/                  /                  /

                  G                  A                  Bm                  /  
                  /                  /                  /                  /  
But it's time to face the truth

                  G                  A                  D                  /  
                  /                  /                  /                  /  
I will never be with you.
