That now I'm in a whole new world with you

Modulation: 1.5 tones up. Move capo 4

Unbelievable sights
 Indescribable feeling
 Soaring, tumbling, freewheeling
 Through an endless diamond sky

A whole new world
 Don't you dare close your eyes
 A hundred thousand things to see
 Hold your breath - it gets better
 I'm like a shooting star
 I've come so far
 I can't go back to where I used to be

A whole new world
 Every turn a surprise
 With new horizons to pursue
 Every moment red-letter
 I'll chase them anywhere
 There's time to spare
 Let me share this whole new world with you

A whole new world
 That's where we'll be
 A thrilling chase
 A wondrous place
 For you and me
