Hey Jude/Beatles

```
      G                    D               D7sus4    D7
      /    /             /     /         /          /
Hey Jude dont make it bad   take a sad song  and make it
G      G7   C                               G
/      /    /           /                 /          /
Better    Remember  to let her into your heart and then
         D7                      G
         /          /            /        /
you can start to make it better

      G                 D             D7sus4  D7           G       G7
      /    /           /   /         /         /          /         /
Hey Jude dont be afraid you were made to go   out and get her.
    C                         G     /         D7
    /             /           /     /         /        /
The minute you let her under your skin then you begin to make
        G
        /          /
it better

G7                              C         C/B     Am7
/           /                   /         /       /
    And anytime you feel the pain hey jude refrain dont
Am7/G     D/F#       D         G
/         /          /         /          /
carry the world   upon your shoulders
G7                              C         C/B     Am7
/             /                 /         /       /
   For now you know that its a fool who plays it cool by
Am7/G      D/F#       D        G
/          /          /        /          /
making his world  a little colder
         G7    D7
         /     /         /          /
Da da da da    Da da da da  Da

      G                 D                D7sus4   D7          G
      /    /           /     /          /         /           /
Hey Jude   dont let me down   You have found her now go and get
   G7  C                        G                   D
   /   /           /            /     /             /
her.  Remember to let her into you heart then you can start to
       G
  /       /        /
make it better
```

```
G7                                C       C/B    Am7         Am7/G
/             /               /       /       /          /
  So let it out and let it in Hey Jude begin your waiting for
 D/F#   D        G          G7                              C
 /      /       /        / /               /                /
someone to perform with    And dont you know that its just you Hey
  C/B         Am7  Am7/G           D/F#      D         G
  /         /        /             /        /         /         /
jude you'l do da movement you need is on your shoulders
          G7    D7
          /     /          /          /
Da da da da    Da da da da  Da

                        G
                        /                       /
Hey Jude……………. (Better) x  6          wha…

G          F           C                G
/    /        /          /   /           /        /       /
Na  na na  na na na    na na na      hey Jude
